Packaging Compliance Statement

Regulation (EU) 2025/40 on Packaging and Packaging Waste

1. Products and packaging covered

Head protection ACTIVE GEAR® - model Head HD5VG - Helmets and bump caps designed to protect the head from impact and falling objects.

2. Manufacturer details

ACTIVE GEAR SA
Route de Chantemerle 58d
1763 Granges-Paccot
Switzerland

3. Responsibility statement

This packaging compliance statement is issued under the responsibility of Active Gear SA on the basis of the documentation and technical information available on the issue date.

4. Compliance Statement

Active Gear SA declares that, based on the supplier documentation and technical information currently available, the packaging used for Active Gear® products : **HD5VGB, HD5VGN, HD5VGO, HD5VGW, HD5VGYHV** complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste.

Active Gear SA assesses and documents packaging compliance using supplier declarations, test reports and material data sheets, together with controlled specifications describing the material composition and recyclability of the relevant packaging components.

5. Scope and validity

This statement applies exclusively to the products and controlled packaging configuration identified above. It shall be reviewed following any change to the packaging materials, composition, supplier, manufacturing process or design.

This customer-facing statement does not replace the packaging-specific technical documentation or the EU Declaration of Conformity required under Articles 38 and 39 and Annexes VII and VIII of Regulation (EU) 2025/40, where applicable.
