Packing

Features

- Compatible with: M40X Half Mask & M90X Full-Face Mask
- Triple Protection (A1E1 P3 R D) – Protects against organic gases & vapors (A1), acid gases (E1), and toxic airborne particles (P3).
- High Filtration Efficiency (P3 R D Level) – Provides 99.97% filtration efficiency against fine dust, toxic fumes, bacteria, viruses, and other hazardous particles.
- Durability & Reusability (R Marking) – Designed for extended use with the ability to be reused based on exposure conditions.
- Dolomite Clogging Test (D Marking) – Certified to resist clogging from fine dust particles, ensuring longer filter life and consistent performance.
- Bayonet Connection System – Ensures quick and secure attachment to M40X and M90X masks for easy installation and replacement.
- Optimized Airflow Design – Low breathing resistance for comfortable extended wear while maintaining maximum protection.
- Protection Against Hazardous Environments – Effective against organic vapors (boiling point >65°C), acid gases (e.g., SO2, HCl), and toxic aerosols.
- Lightweight & Ergonomic Design – Reduces user fatigue and enhances comfort during long work hours.
- Durable & Impact-Resistant Construction – Made from high-quality materials suitable for industrial use.
- CE-Certified & Compliant – Meets EN 14387:2004+A1:2008 and EN 143:2000+A1:2006 (P3 R D standard) for respiratory protection.
