Packing

Features

- Dual Filter System – Uses two replaceable filters for balanced weight distribution, enhanced filtration efficiency, and lower breathing resistance.
- Full Face Protection – Covers the entire face, including eyes, nose, and mouth, offering protection against airborne particles, gases, vapors, and splashes.
- Adjustable Head Straps – Equipped with a 6 point adjustable harness to ensure a snug and secure fit.
- Sealing & Comfort – Features a soft silicone face seal for a secure and comfortable fit, reducing air leakage.
- Positive fit check button to insure user protection
- Wide Field of Vision – Equipped with a large, anti-fog panoramic visor to ensure clear visibility and minimal distortion.
- Compatibility with Different Filters – Can be fitted with various filters (F60X, F70X, F80X) depending on the protection needed.
- Durability & Materials – Made from high-quality, impact-resistant materials to withstand harsh environments.
