

Description

Materials : ABS Cups, Soft PU cushions, adjustable headband
Color : Black/Green
Packing : 1 pair / Individual carton

Packing

Features

- Certified to EN 352-1:2020 – guarantees compliance with European safety standards.
- High attenuation rating (SNR 37 dB) – provides superior protection against high noise levels in industrial environments.
- Adjustable dual-pin pivot system – ensures a secure and customized fit for different head sizes.
- Soft PU ear cushions – enhance comfort during extended use and ensure optimal sealing.
- Wide, padded headband – evenly distributes pressure to reduce fatigue during long working hours.
- Durable ABS cups – resistant to impacts, scratches, and everyday industrial use.
- Ventilated headband design – improves breathability and reduces heat build-up.
- Packed in a retail box
