Packing

Features

- Optimized ventilation with multiple air holes ensures airflow and reduces heat buildup.
- Reflective strips for enhanced visibility
- The 6-point textile suspension distributes weight evenly for maximum comfort and safety, while the adjustable wheel ratchet system provides a quick and precise fit.
- A secure Y-style 4-point chin strap guarantees stability during movement.
- The shell is lightweight yet robust, impact- and scratch-resistant for long-lasting durability.
- The helmet is compatible with earmuffs (E730H/E740H), Visor V920,V922 V930CL and with adhesive badge holder HDIDBA.
- It is also headlamp ready, with front clips and a rear elastic band to keep a lamp firmly in place.
- Its ergonomic design enhances wearer comfort and reduces fatigue during extended use.
