Features

- 100% Polyethylene Foam: Lightweight and flexible material offering excellent shock absorption and long-lasting cushioning for demanding work environments.
- Universal Fit for Active Gear Trousers: Designed to fit all Active Gear trousers with knee pad pockets — no trimming or adjustment needed.
- EN 14404 Certified – Type 2, Level 0:Conforms to the European standard for knee protection in workwear.
- Ergonomic & Flexible Design: Pre-curved shape allows for natural movement and comfort, even when kneeling for long periods.
- Featherlight Comfort: Weighs very little, so it won't add bulk or restrict movement — ideal for all-day wear.
- Moisture-Resistant & Durable: Polyethylene construction is non-absorbent and easy to clean, making it ideal for wet or dirty environments.
